

To the faithful of All Saints Church,

Grace and peace in our Lord Jesus Christ.

On Sunday, January 29, 2023, All Saints Episcopal Church, Bay Head, New Jersey will gather for our Annual Meeting in compliance with the statutes of the State of New Jersey. The meeting will begin at 10:10 AM in the sanctuary of the church and will encompass the 10:15 service of Holy Eucharist. The meeting will be opened and ballots announced prior to the entrance hymn. The Rector's annual address will take place during the sermon. The meeting will continue following the service when ballots will be cast. The meeting will be adjourned at the conclusion of all required business, including the presentation of the budget passed by the Vestry on December 12, 2022. Your prayers and presence are requested.

All those registered in the rolls of the church who are adult members in good standing (regular in attendance and known to the treasurer) have seat, voice, and vote at the meeting.

The election slate is as follows:

For three-year terms on the Vestry: Chris Niebling, Linda Carduner, Michael Ling

For two-year term as Senior Warden: Steve Beresik

For one-year term as treasurer: Mark Durham

For one-year terms as deputies for Diocesan Convention: Steve Beresik, Joe DeAmicis, Gerald Harvey
Alternate for Diocesan Convention: Sheila Pardoe

Candidates for Vestry

Linda Carduner: Linda is a long-time member of All Saints. She has been active with the Women's Guild and the children and family ministries. She is a retired teacher and can be seen on Sundays as part of three generations active in our family of faith in which she herself was raised. She has a lifelong affiliation with the Episcopal Church, worship, and service. She is very creative in planning and problem solving and will bring those skills to this new ministry as we address the joys and challenges of post-pandemic church life. We are thankful that she has accepted our request to stand for election to the Vestry.

Michael Ling: Michael and Francine Ling joined All Saints in 2021 and quickly became regular in attendance and active members of the congregation. Michael has participated in Adult Education and seasonal parish events, is a Lay Reader, and served as a member of the Stewardship Team. Although newer to All Saints, Michael is not new to leadership in the Episcopal Church. At their former parish of Grace Church, Madison, Michael served two terms on the Vestry, worked with Finance and led the granting arm of Outreach Ministries for the parish for over six years, overseeing the Outreach budget of over \$40K. Michael brings his professional experience in finance and his willingness to serve in any area where needed. We are thankful that he has accepted our request to stand for election to the Vestry.

Chris Niebling: Chris is a long-time member of the Mantoloking and Bay Head communities and active member of the parish. Chris serves on the Communications Committee, Buildings and Grounds, Ushers, Greeters, IT, and sound for worship, and is our regular photographer. He has had a career as a first responder and served at the center of the Sandy Recovery operations. Chris has drawn on his own stellar career as a chief officer in the cofounding of a successful training and empowerment course of captains and chiefs in fire departments across the country. He is a ready and willing volunteer. We are so thankful that he has accepted our request to stand for election to the Vestry.

Thank you to those who have agreed to stand for election and serve in the leadership of this parish church.

Faithfully,
The Reverend Kathryn L. King, Rector
